

Biomagnetic Imaging Center

MRI/MRA

Frequently Asked Questions

- Do I need to be a patient of Orthopedic Associates to have an MRI at your facility?
 - No. Biomagnetic Imaging is a separate company from Orthopedic Associates. We take referrals from all Physicians, including those out of town.
- How long will the exam take?
 - The average MRI exam will take about 30 minutes. Some may be a little short, others a little longer.
- Does it have to be so noisy?
 - Yes. No noise...no pictures 😊
- When will my doctor know the results?
 - A report is usually sent to your doctor within 24 to 48 hours.
- Will my insurance cover the test?
 - Verification is made to any and all insurance companies for coverage and pre-certification prior to your test.
- Will I fit in there or get stuck?
 - Some people might feel “tight” depending on their size, but you will not get stuck. Our weight limit on the table is 350 pounds.
- Is your MRI machine in a trailer?
 - No. We have a large spacious exam room with a large window to the outdoors.
