

KEEPING ATHLETES ON THE MOVE

Working with athletes and their sports-related injuries and conditions, our sports medicine doctors integrate all aspects of specialized care in our Sports Medicine Center. With extensive training in treating sports-related conditions using minimally invasive techniques and the most advanced procedures and protocols, our specialists are some of the most highly skilled sports medicine doctors in the area.

The Most Preferred Orthopedic Practice in the Blue Water Region*

Orthopedic Associates of Port Huron is our region's most preferred orthopedic practice as well as St. Clair County's largest orthopedic practice. This reputation is built on providing truly exceptional care for our patients in the Port Huron area as well as patients from across the Thumb area, from Algonac to Port Austin.
